Restoration
“And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.”
“And Yeshua answered and said unto them, Elijah truly shall first come, and restore all things. But I say unto you, That Elijah is come already, and they knew him not, but have done unto him whatsoever they wanted. Likewise shall also the Son of man suffer of them.”
Acts 1:6-8

“When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the kingdom to Israel? And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in his own power. But ye shall receive power, after that the Holy Spirit is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth.”
“In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it wast thou taken: for dust thou art, and unto dust shalt thou return.”
“But this is a people robbed and spoiled; they are all of them snared in holes, and they are hid in prison houses: they are for a prey, and none delivereth; for a spoil, and none saith, Restore.”
“And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell.”

The Cultural Paradigm

\[ \text{evolution} = \text{science} \]

\[ \text{creation} = \text{religion} \]
Julian Huxley – Evolution and Genetics (1955)

“The concept of evolution was soon extended into other than biological fields. Inorganic subjects such as the life-histories of stars and the formation of chemical elements on the one hand, and on the other hand subjects like linguistics, social anthropology, and comparative law and religion, began to be studied from an evolutionary angle, until today we are enabled to see evolution as a universal, all-pervading process”
“The first point is that selfishness and violence are inherent in us, inherited from our remotest animal ancestors…Violence is, then, natural to man, a product of evolution”
“Just as Darwin discovered the law of evolution in organic nature, so Marx discovered the law of evolution in human history.”
The language and culture of scripture is born from natural observable facts (the creation).

Ivrim (Hebrews) 11:1

“Now faith is the substance* of things hoped for, the evidence of things not seen.”
“For the invisible things (satar) of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:”
“If I have told you earthly things (seen) and ye believe not, how shall ye believe, if I tell you of heavenly (unseen) things?”
Creation Theology

- All matter, seen and unseen, was created in the beginning — 1st law of thermodynamics – Kohelet 1:9-10
- All of God’s desire, purpose, will, essence, truth and revelation are in the beginning — design of a cell*
- From the beginning the Creator instructed the fathers to teach these things to their children throughout their generations — design of mRNA
- The last generations see the same righteousness as the first generations — law of like kind
- *in the genetic structure of a frog is only frog information
Evolutionary theology

- Heavens and earth began as chaos
- People of God (Jews, Israel) began as primitive people with primitive laws and culture and evolved to become the spotless church of the New Testament
- What was brought forth in the beginning has been done away with at the advent of the church (Isaiah 46:10)
- The last generations have what the first generation did not have i.e. grace, church, apostles, gifts of the Holy Spirit, new birth, salvation by faith i.e. the end is different from the beginning
Organic Evolution

Man began as an amoeba, floating in a primordial soup pond. One day a bolt of lightning struck and energized the amoeba and it began to evolve and soon it grew gill slits, a tail and little fins. After time the gill slits morphed into lungs, the tail fell off and the fins turned into little wings and eventually became little feet and legs. Monkey became man and he began to stand upright. Then we had Cro-magnon, then Nebraska man, Peking man, Neanderthal and finally a man wearing a suit with a briefcase.
Theological Evolution

Man began as the primitive Jew, with his Sabbath, feasts and dietary laws. But soon he began to evolve and soon the Sabbath fell off and was replaced with Sunday, his feasts withered away and were replaced with Christmas and Easter, and the dietary laws dropped off and were replaced with ham sandwiches and fresh crab legs. Then he was given the faith to stand upright, shedding the burdensome commandments and appendages of his primitive beginning until we have CHRISTIAN MAN!

Introduction to 1971 reprint of “Origin of the Species”:

“The fact of evolution is the backbone of biology, and biology is thus in the peculiar position of being a science found on an unproved theory—is it then science or a faith? Belief in the theory of evolution is thus exactly parallel to belief in special creation—both are concepts which believers know to be true but neither, up to the present, has been capable of proof.”

“… an idea which is more like a principle of medieval astrology than a serious twentieth century theory.”
Francis Crick Co-winner of the Nobel Prize for DNA

“I am proposing ‘direct panspermia’ which asserts that life did not evolve on earth; instead, life reached earth in a rocket launched by intelligent life from some remote planet…”
"... the likelihood that the formation of life from inanimate matter is one to a number with 40,000 noughts behind it ... it is big enough to bury Darwin and the whole theory of evolution. There was no primeval soup, neither on this planet nor any other, and if the beginnings of life were not random, they must therefore have been the product of purposeful design."

All the electrons that make up the entire universe add up to $10^{80}$
If we filled the entire universe with electrons so that we could not fit one more $10^{130}$
“It is extremely improbable that proteins and nucleic acids, both of which are structurally complex, arose spontaneously in the same place and the same time. Yet, it also seems impossible to have one without the other.* And so, at first glance, one might have to conclude that life could never, in fact, have originated by chemical** means.”
*The relationships are symbiotic i.e. cannot have one without the other. To have the Torah without the Messiah is no different than having a Messiah without the Torah.

**It is only logical for ‘scientists’ to conclude that if we are made up of chemicals then all maladies and disease should be treated with chemicals.

“When I began the search for anticipations of the evolutionary theory ... I was led back to the Greek natural philosophers and I was astonished to find how many of the pronounced and basic features of the Darwinian theory were anticipated even as far back as the seventh century B.C.”
“The conclusion I have come to is this: The law of Christ is incompatible with the law of evolution ... nay, the two laws are at war with each other.”
“Yet, whatever our understanding of the social struggle that gives rise to creationism, whatever the desire to reconcile science and religion may be, there is no escape from the fundamental contradiction between evolution and creationism. They are irreconcilable world views”
“And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.”
“The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.”

The Letters of Ignatius — 2nd century A.D.

“If, then, those who had lived in antiquated practices came to newness of hope, no longer keeping the Sabbath, but living in accordance with the Lord’s day...Therefore, having become his disciples, let us earn to live in accordance with Christianity... It is utterly absurd to profess Jesus Christ and to practice Judaism.”

*two different species
“It follows accordingly, that, in so far as the abolition of carnal circumcision and of the old law is demonstrated as having been consummated at its specific time, so also the observance of the Sabbath is demonstrated to have been temporary.”
Epistle of Ignatius to the Antiochians

“These things I write unto you, thou NEW OLIVE TREE of Christ ... Beware of those ‘dumb dogs’, those trailing serpents, those scale dragons, those asps, and basilisks, and scorpions. For these are subtle wolves and apes that mimic the appearance of men.”

**Spontaneous generation!!**
Human artifacts have been found in every strata from Cambrian to Eocene. Artifacts thought to be found only in the earliest pre-Cambrian strata have been found on many of our highest mountain peaks. (B.C. - batteries, spectacles, spark plugs, analog type computer for making maps – one with written longitudes)
“Like Darwin, Marx thought he had discovered the law of development. He saw history in stages, as the Darwinist saw geological strata and successive forms of life.”
Torah is found in the age of promise & grace

B’reshiyt 26:5 (age/strata of promise)

“Because that Abraham obeyed my voice, and kept my charge, my commandments, my statutes, and my Torah.”
Acts 21:20 (age of grace)

“And when they heard it, they glorified the Lord, and said unto him, Thou seest, brother, how many thousands of Jews there are which believe; and they are all zealous of the Torah.”

Whoops!!!
Grace is found in the age of human government

Acts 18:21 (age/strata of grace)

“But bade them farewell, saying, I must by all means keep this feast that cometh in Jerusalem: but I will return again unto you, if God will. And he sailed from Ephesus.”
The Sabbath is in the age of grace

Acts 13:42 (age/strata of grace)

“And when the Jews were gone out of the synagogue, the Gentiles besought that these words might be preached to them the next sabbath.

Oh my goodness.
The Church (*ekklesia*) is found in the age of law

*D’varim* 4:10

“*Specially* the day that thou stoodest before YHWH thy God in Horeb, when YHWH said unto me, Gather (*ekklesia*) me the people together, and I will make them hear my words, that they may learn to fear me all the days that they shall live upon the earth, and *that* they may teach their children.”

How can this be?
"I went mourning without the sun: I stood up, and I cried in the congregation." (ekklesia)
“…for without the Jews there would be no Christianity…it is because of the Jews that we have the first Christian family…”
But

when you look at the evidence ....
“But, as by this theory innumerable transitional forms must have existed, why do we not find them imbedded in countless numbers in the crust of the earth?”
“Well, we are now about 120 years after Darwin and the knowledge of the fossil record has been greatly expanded. We now have a quarter of a million fossil species, but the situation hasn’t changed much. The record of evolution is still surprisingly jerky and, ironically, we have even fewer examples of evolutionary transition than we had in Darwin’s time.”
“I fully agree with your comments on the lack of direct illustration of evolutionary transitions in my book. If I knew of any, fossil or living, I would certainly have included them...”
“All paleontologists know that the fossil record contains precious little in the way of intermediate forms; transitions between major groups are characteristically abrupt.”
There is no more conclusive refutation of Darwinism than that furnished by palaeontology….we find perfectly stable and unaltered forms persevering through long ages…appearing suddenly and at once in their definitive shape.”
“Most orders, classes and phyla appear abruptly, and commonly have already acquired all the characters that distinguish them.”
“If the fossil record confirms anything, it confirms the reality of little change. Plants and animals that existed millions of years ago are much like plants and animals today.”

*Dismantling Evolution – Ralph O. Muncaster*
Mutations

Upward changes occurring because of mutations* in genes, that are passed on by heredity.

*added or removed information in our genes (gang) creates a mutation
“In mutations, therefore, we have the only kind of heritable variation known to science upon which natural selection might work in order to produce new varieties and species. Yet, although many thousands of mutations have now been studied, not a single clear instance has been found in which a mutation has made an animal more complicated, brought any new structure into existence of even effected any new adaptation of a radical nature.”
“… so many mutations are lethal, preventing the organism from living at all, and the great majority of the rest throw the machinery slightly out of gear...the odds of getting a favorable mutation in one strain through pure chance alone is a thousand to the millionth power.”
Genetic information must already be present!!!

CONCLUSION?
Christ freed us from the Sabbath
Galatians 4:10

“But now, after that ye have known God, or rather are known of God, how turn ye again to the weak and beggarly elements, whereunto ye desire again to be in bondage? Ye observe days, and months, and times, and years.”

CONCLUSION?
Christ freed us from His feasts
The Anthropic Principle

A principle (strong view) stating that the universe is designed to be observed and that even the most minute changes would prohibit human life.
“A false balance is abomination to YHVH: but a just weight is his delight.”
“What thing soever I command you, observe to do it: thou shalt not add thereto, nor diminish from it.”

The creation (natural) things obey by instinct.

As children we are given the right to choose.
Evidence for a Young Earth

- Great Barrier Reef
- Stalagmites—Stalactites
- Fossil record
- Salt in the oceans
- If man was 500,000 years old (based upon average child production, population today would be $10^{990}$ power (not that many electrons in the universe))
- Going back to Noah population today would be about 6.5 billion people
The First Law of Thermodynamics

This law of the conservation of mass-energy states that nothing new is being created in the universe and nothing is ceasing to exist.
Ecclesiastes (Kohelet) 1:9-10

“The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun. Is there any thing whereof it may be said, See, this is new? it hath been already of old time, which was before us.”
2 Corinthians 4:18

“While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.”
The Second Law of Thermodynamics (entropy)

The law of increasing disorder states that all matter, mass and energy, although never ceasing to exist, is always losing energy and tending toward corruption.
“... in any natural occurring process, the tendency is for all systems to proceed from order to disorder...from this point of view the trend from order to disorder with production of entropy is inexorable. The 2nd law of thermodynamics always wins in the end.”
“Sir Isaac Newton recognized that the universe was moving from order to disorder: that it was approaching a uniform temperature: and from this he saw the necessity of an initial ordering or design... that transfer in the opposite direction never occurs in nature ... that nature cannot design herself ... therefore a great first cause is required who is not subject to the second law.”

“I am very concerned about the religious indoctrination of children. I want to show how faith acts like a virus that attacks the young and infects generation after generation....It’s time to question the abuse of childhood innocence with superstitious ideas of hellfire and damnation. And I want to show how the scriptural roots of the Judeo-Christian moral edifice are cruel and brutish. What in the 21st century are we doing venerating a book that contains such stuff.”
Yochanan (John) 3:16

“For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”

Romans 6:23

“For the wages of sin is death; but the gift of God is eternal life through Messiah Y’shua our Adonai.”
Yochanan 14:6

“Y’shua saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.”

Yochanan 1:12

“But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:”
Ivrim (Hebrews) 11:6
“But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.”

Sh’mot (Exodus) 15:26
“And said, If thou wilt diligently hearken to the voice of YHVH thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am YHVH that healeth thee.”
