The Word of God in the Subatomic World
Devariym (Deuteronomy) 29:29

The secret (unseen) things belong unto YHWH our God: but those things which are revealed belong unto us and to our children for ever, that we may do all the words of this Torah.
Dani’el 12:8-9

“And I heard, but I understood not: then said I, O my Adonay, what shall be the end of these things? And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.”
“For then will I turn to the people a pure* language, that they may all call upon the name of YHWH, to serve him with one consent.”
Yesha’yahu (Isaiah) 58:11

“And YHVH shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones: and thou shalt be like a watered garden, and like a spring of water, whose waters fail not.”
Yesha’yahu (Isaiah) 58:12

“And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.”
Yesha’yahu (Isaiah) 61:1-2

“The Spirit of Adonai YHWH is upon me; because YHWH hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; To proclaim the acceptable year of YHWH, and the day of vengeance of our ‘Elohiym; to comfort all that mourn;”
“To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of YHWH, that he might be glorified. And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.”
“The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, To preach the acceptable year of the Lord.”
Whatever created the universe is sustaining the universe!
Bere’shiyt (Genesis) 1:2

“And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.”

“And Yeshua answered and said unto them, Elijah truly shall first come, and restore all things. But I say unto you, That Elijah is come already, and they knew him not, but have done unto him whatsoever they wanted. Likewise shall also the Son of man suffer of them.”

Romans 10:15-17

“And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! But they have not all obeyed the gospel. For Isaiah saith, Lord, who hath believed our report? So then faith cometh by hearing, and hearing by the word of God.”

Atheists and evolutionists state that the terrible calamities, wars, death and sickness of the world leads them to believe there is no God. So the universe and all that exists is the result of natural forces. Using this logic, why is it then that natural forces do not exist?

The Delicate Balance

Mankind’s collective obedience can restore the universe or mankind’s collective disobedience can corrupt the universe.
Mizmor (Psalm) 119:160

“Thy word is true from the beginning: and every one of thy righteous judgments endureth for ever.”
Ya’aqov (James ) 3:1,6

“My brethren, be not many masters, knowing that we shall receive the greater condemnation...And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell.”

“For such are false apostles, deceitful workers, transforming themselves into the apostles of Messiah.”
Julian Huxley – Evolution and Genetics (1955)

“The concept of evolution was soon extended into other than biological fields. Inorganic subjects such as the life-histories of stars and the formation of chemical elements on the one hand, and on the other hand subjects like linguistics, social anthropology, and comparative law and religion, began to be studied from an evolutionary angle, until today we are enabled to see evolution as a universal, all-pervading process”
“Gramsci famously laid out a strategy for destroying Christianity and Western culture, one that has proven all too successful. Instead of calling for a Communist revolution up front, as in Russia, he said Marxists in the West should take political power last, after a “long march through the institutions” – the schools, the media, even the churches, every institution that could influence the culture.”*

The creation–evolution controversy is a recurring theological and cultural-political dispute about the origins of the Earth, humanity, life, and the universe, [1] between those who espouse the validity and/or superiority of literal interpretations of a creation myth, and the proponents of evolution, backed by scientific consensus.

Mingling Science with Religion

“...some critics argue that these kinds of efforts run the risk of co-mingling science and religion which, in the most benign sense, are two very different ways of looking at the world. In the most dangerous sense, scientists getting involved in "dialogue" with religious people, they say, could bias and taint scientific work.”

‘Ivrim (Hebrews) 11:1-3

Y Chromosome Dilemma

“Here we finished sequencing of the male-specific region of the Y chromosome (MSY) in our closest living relative, the chimpanzee, achieving levels of accuracy and completion previously reached for the human MSY. By comparing the MSYs of the two species we show that they differ radically in sequence structure and gene content, indicating rapid evolution during the past 6 million years.”

The Negroid stock is even more ancient than the Caucasian and Mongolian, as may be proved by an examination not only of the brain, of the hair, of the bodily characters, such as the teeth, the genitalia, the sense organs, but of the instincts, the intelligence. The standard of intelligence of the average Negro is similar to that of the eleven year old youth of the species homo sapiens.”
Charles Darwin
The Descent of Man and the Selection in Relation to Sex

“At some future period, not very distant as measured by centuries, the civilized races of men will almost certainly exterminate and replace throughout the world the savage races...for it will intervene man and a more civilized state, as we may hope, than the Caucasian, as some ape as low as the baboon, instead of as at present between the negro and the Australian and the gorilla.”

Physicist H.S. Lipson
“A Physicist View of Darwin’s Theory

“We now know a great deal more about living matter than Darwin knew. We know how nerves work and I regard each nerve as a masterpiece of electrical engineering. And we have thousands of millions of them in our body. We know how the muscles expand and contract and we know how our hearts beat. But we do not yet know how we think. The brain has parts specifically designed for this purpose.”
“‘Design’ is the word that springs to mind, on this subject. My biologist colleagues do not like it. They say that I should not object to a theory unless I have a better scientific one to replace it, a scientific one being a theory that can be falsified. My unscientific theory is that we have been designed in a macromutational way by an external creator. All the evidence supports this view but, of course, it cannot be sustained scientifically.”
“Don’t let the cosmologists try to kid you on this one. They have not a clue either—despite the fact that they are doing a pretty good job of convincing themselves and others that this is really not a problem. ‘In the beginning,’ they will say, ‘there was nothing—no time, no space, matter or energy. Then there was a quantum fluctuation from which...Whoa’ Stop right there. You see what I mean? First there is nothing, then there was something. And the cosmologists try to bridge the two with a quantum flutter, a tremor of uncertainty that sparks it all off. Then they are away and before you know it, they have pulled a hundred billion galaxies out of their quantum hats.”

“Not one change of species into another is on record...we cannot prove that a single species has been changed’
“Well, we are now about 120 years after Darwin and the knowledge of the fossil record has been greatly expanded. We now have a quarter of a million fossil species, but the situation hasn’t changed much. The record of evolution is still surprisingly jerky and, ironically, we have even fewer examples of evolutionary transition than we had in Darwin’s time.”

Water › sound › light

Bere’ shiyt (Genesis) 1:1-3

“In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light.”

“All biological systems depend upon the electromagnetic field surrounding the earth for cellular communications.”
‘Iyov (Job) 28:23-28

“God understandeth the way thereof, and he knoweth the place thereof. For he looketh to the ends of the earth, and seeth under the whole heaven; To make the weight for the winds; and he weigheth the waters by measure. When he made a decree for the rain, and a way for the lightning of the thunder: Then did he see it, and declare it; he prepared it, yea, and searched it out. And unto man he said, Behold, the fear of the Lord, that is wisdom; and to depart from evil is understanding.”

Yesha’yahu (Isaiah) 44:13

“The carpenter stretcheth out his rule (qav); he marketh it out with a line; he fitteth it with planes, and he marketh it out with the compass, and maketh it after the figure of a man, according to the beauty of a man; that it may remain in the house.”
Romans 1:20

“For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse”
We need to encourage astronomers to keep searching the expanse of the heavens for the origin of life and biologists to keep searching the depths of an atom looking for the origin of life.

Iyov 38:4-5

Iyov (Job) 9:8

“Who alone spreadeth out the heavens, and treadeth upon the waves of the sea.”
Yesha’yahu (Isaiah) 42:5

“Thus saith YHWH ‘Elohiym, he that created the heavens, and stretched them out; he that spread forth the earth, and that which cometh out of it; he that giveth breath unto the people upon it, and spirit to them that walk therein.”
Yesha’yahu (Isaiah) 45:12

“I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded.”
“And the people said unto Joshua, YHWH our God will we serve, and his voice will we obey. So Joshua made a covenant with the people that day, and set them a statute and an ordinance in Shechem. And Joshua wrote these words in the book of the law of God, and took a great stone, and set it up there under an oak, that was by the sanctuary of YHWH.”
“And Joshua said unto all the people, Behold, this stone shall be a witness unto us; for it hath heard all the words of YHWH which he spake unto us: it shall be therefore a witness unto you, lest ye deny your God.”
“And Joshua said to the people, Behold, this stone shall be among you for a witness, for it has heard all the words that have been spoken to it by the Lord; for he has spoken to you this day; and this stone shall be among you for a witness in the last days, whenever ye shall deal falsely with the Lord my God.”
Bֶּמֶדֶּבֶּר (Numbers) 20:8

“Take the rod, and gather thou the assembly together, thou, and Aaron thy brother, and speak ye unto the rock before their eyes; and it shall give forth his water, and thou shalt bring forth to them water out of the rock: so thou shalt give the congregation and their beasts drink.”
“And when the tempter came to him, he said, If thou be the Son of God, command that these stones be made bread.”
Luke 19:40

“And he answered and said unto them, I tell you that, if these should hold their peace, the stones would immediately cry out.”

Bones

Mizmor (Psalm) 35:10

“All my bones shall say, YHWH, who is like unto thee, which deliverest the poor from him that is too strong for him, yea, the poor and the needy from him that spoileth him?”
Mizmor (Psalm) 51:8

“Make me to hear joy and gladness; that the bones which thou hast broken may rejoice.”

Mishlei (Proverbs) 3:7-8

“Be not wise in thine own eyes: fear YHWH, and depart from evil. It shall be health to thy navel, and marrow to thy bones.”
Yechezk’el (Ezekiel) 37:1-4

“The hand of YHWH was upon me, and carried me out in the spirit of YHWH, and set me down in the midst of the valley which was full of bones, And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry. And he said unto me, Son of man, can these bones live? And I answered, O Adonay ‘Elohiym, thou knowest. Again he said unto me, Prophesy upon these bones, and say unto them, O ye dry bones, hear the word of YHWH.”
“Pleasant words are as an honeycomb, sweet to the soul, and health to the bones.”
Yechezkel’el (Ezekiel) 37:5-7

“Thus saith Adonay ‘Elohiym unto these bones; Behold, I will cause breath to enter into you, and ye shall live: And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am YHWH. So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone.”
Dark matter and dark energy
“It is material that does not emit sufficient light for us to directly detect it, yet there are a variety of ways that we can indirectly detect it. The most common method involves the fact that the dark matter has a gravitational pull on both the light and the sources of light that we can see. From the effects of “extra” gravity that we detect, we infer how much mass must be present.”
Ephesians 1:3

“Blessed be the ‘Elohiym and Father of our Adonay Yeshua the Messiah, who hath blessed us with all spiritual blessings in heavenly places in Messiah..”
Ephesians 6:12

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”
Dani’el 12:8-9

“And I heard, but I understood not: then said I, O my Adonay, what shall be the end of these things? And he said, Go thy way, Daniel: for the words are closed (satam/kalupto) up and sealed till the time of the end.”
2 Peter 3:10-11

“But the day of YHWH will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements (*stoicheion*) shall melt with fervent heat, the earth also and the works that are therein shall be burned up. *Seeing then that all these things shall be dissolved,* what manner of persons ought ye to be in *all* holy conversation and godliness,”

*how something is ordered, arranged or made up of*
“Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire (puroo/tzaraph) shall be dissolved *, and the elements shall melt with fervent heat? Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.”

History Channel – May 2010 Physicists from MIT, University of Southern Cal, Fermilab, University of Pennsylvania, v
In the early 1990's, one thing was fairly certain about the expansion of the Universe. It might have enough energy density to stop its expansion and recollapse, it might have so little energy density that it would never stop expanding, but gravity was certain to slow the expansion as time went on. Granted, the slowing had not been observed, but, theoretically, the Universe had to slow. The Universe is full of matter and the attractive force of gravity pulls all matter together. Then came 1998 and the Hubble Space Telescope (HST) observations of very distant supernovae that showed that, a long time ago, the Universe was actually expanding more slowly than it is today. So the expansion of the Universe has not been slowing due to gravity, as everyone thought, it has been accelerating. No one expected this, no one knew how to explain it. But something was causing it.
